

## ISAM2014 How to Present (For presenters)

### 1. Oral session

Oral session is planned as 12-minute talk with 3-minute discussions. Windows PC with PowerPoint 2007 or 2010 installed is prepared for slide projection. Please bring your presentation file in USB memory stick, and copy it to the on-site PC prior to the first presentation of each day. File name should be titled as assigned presentation number with your name such as "I-8\_Kato.pptx". The presentation number is available on the program. Please check your presentation number by the latest version on our web site. Though own PCs are also available to connect, the set-up time is included in each presentation time (15-min).

### 2. Poster session

Please bring your printed poster to the meeting; poster size should not exceed 90 x 180 cm (width x height). Height of the poster is recommended to be lower than 120 cm. Please display your poster at least from 13:00 on 18th to 17:30 on 19th March, and explain during 16:15-17:05 (for odd-numbered) or 17:10-18:00 (for even-numbered) on 18th. The presentation number is available on the program. Please check your presentation number by the latest version on our web site. The posters can be displayed from 9:00 on 18th, and should be removed before 13:00 on 20th. Please check your poster number by the latest version on our web site.
